

ELITE IBOX SPDIF QUICKSTART

Wireless Receiver - Airplay®

WIRE GUIDE:

- RED - 12v Switched
- BLACK - Vehicle Ground

iBox Icon

TO PAIR:

1. Turn unit on, allow time for WiFi network startup
2. In the WiFi settings menu of your iDevice, search for Available WiFi networks, and join the network (SSID) that is listed on your iBox Device.
3. Use the passkey that is listed on the iBox device

TO STREAM:

- The Focal iBox functions as an AirPlay device for iOS. Once Paired (as instructed above), in your music app you will see a small icon (see "iBox Icon" at left). When you press that Icon you will have the Focal iBox option. Please select that option and enjoy streaming audio.

TO RESET:

- Turn the device on and off 3 times. let rest for a moment, then power on and repeat the pairing instructions above.
